## STATION

Dear Judy -

August 24<sup>th</sup>, 1950

Seems funny to be signing this now - but I just felt like it. We've had such a wonderful junior year, & won't be able to forget all the fun we've had. We're really going to miss Gerry & Pete next year but just think of all the terrific times we've had with them. Remember the dance in Nov.? - Gads, keed, what a start! & the sock hop - candles at Demarests; pop-corn after Drew's party; new years Eve & N.S.A.; Pri's party & "where are we?"; "Pete's Playground" at the Lavallette pier; those white bucks; that darling Mrs.; the wonderful Prom; the senior Dance - Roaring twenties; the Soph. square dance; that Rocket at Seaside; Mr. Squitcherini's Doll house; & Santa Maria, Camille & José; our True Confessions - (what?) & smoking attempts! Art's "urge"; "quick, change" - & the in-out contest. Remember some Sunday afternoons just sitting listening to records? - & also Ginny - & the contest. And of course, Big Bob, Mill (Mrs. -) & my Big Al, & Jess, too. & your "ever happy, smiling, effervescent Broth Bob".

Well, Chudith, it's been all so much fun. - I guess we feel alike about a lot of things. - we'll have fun next year, too, even if it's in a different way. Think of K.D. (remember, I'm chairman), of football games, student council, class plays, basketball, the shore, of excitement about colleges in the spring. & then, too, there'll be letters every now & then.

Well, just stay the same crazy, dope - Judith Hayes - always clowning, tap-dancing, craging & ye-going, kidding - 'cause that's the way we like you. & no kidding, Beastie, them's mighty, purty blue eyes!

well, here's the best to you -  
and to the best senior year ever.

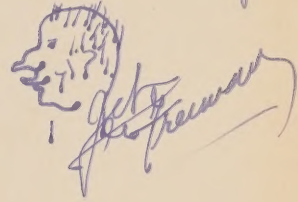

With love, yer buddy,  
"Walt."

Well, kids, you  
finally made the  
graduating class of

1950

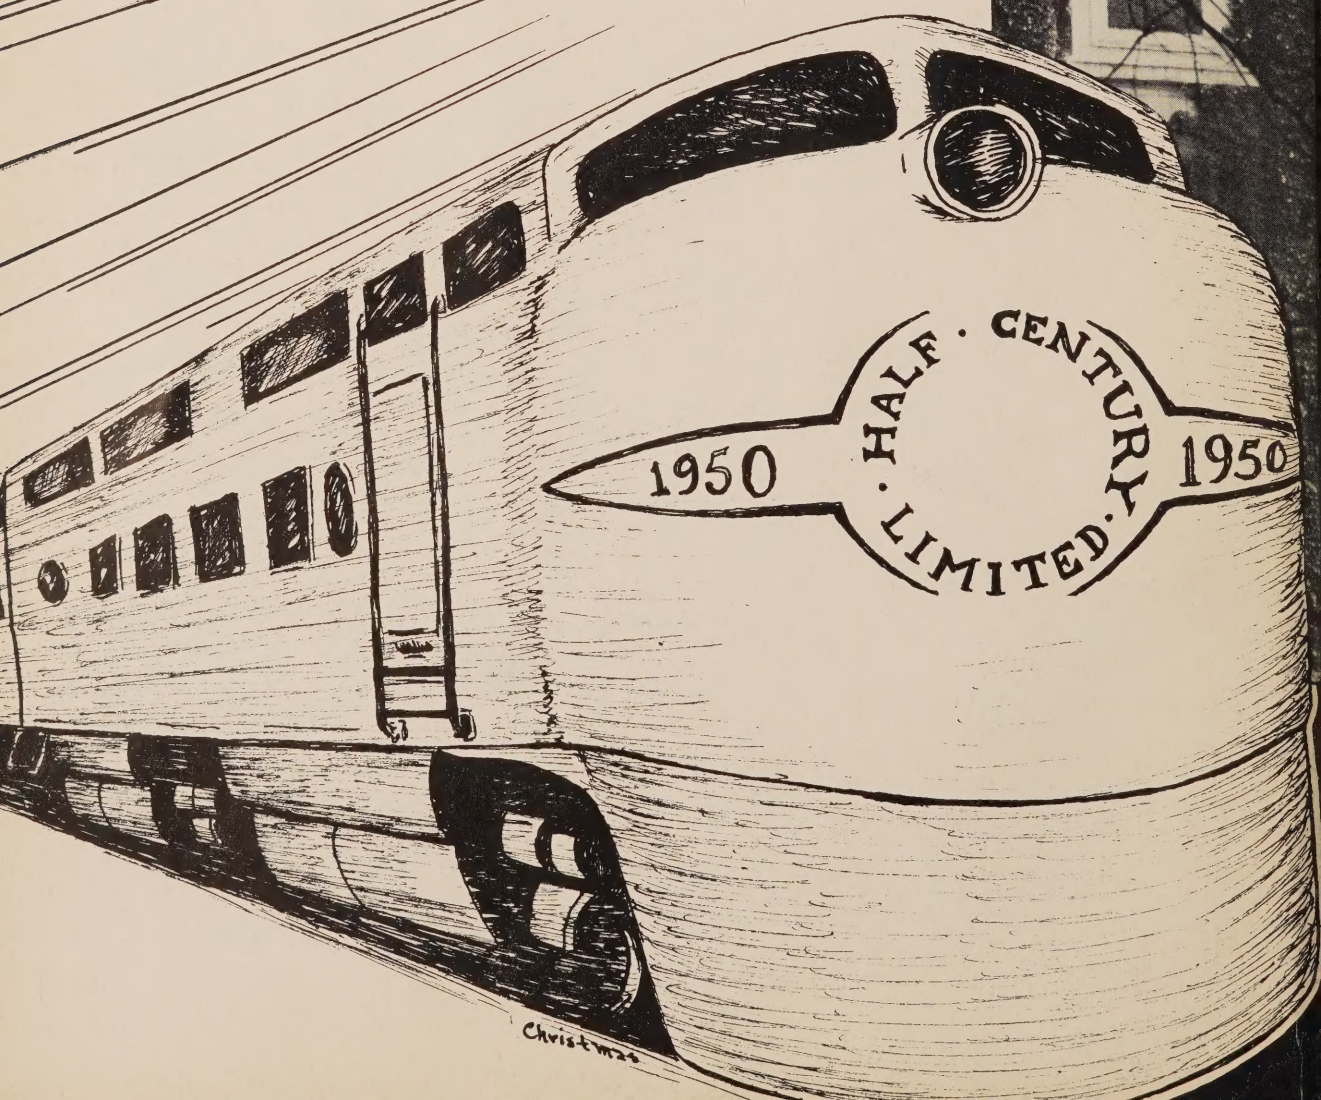

Good luck!! - Sevalby!

PRESENTED BY THE SENIOR CLASS

PLAINFIELD HIGH SCHOOL

PLAINFIELD

NEW JERSEY

The Class of 1950 proudly dedicates its **Milestone** to Eric P. Nelson. We want to show our appreciation to the man we think is tops.

Mr. Nelson is the teacher who puts across the senior and technical science courses. He's the man who as faculty advisor to the stage and electrical squad, makes certain the lights go on and off at the proper moment. He's the man who spends his evenings wall-papering stage flaks and erecting convincing fireplaces. He's the man whose smile can make you determined to redeem that failure with an "A" on the next lesson. He's the teacher and friend who rates with all of us.

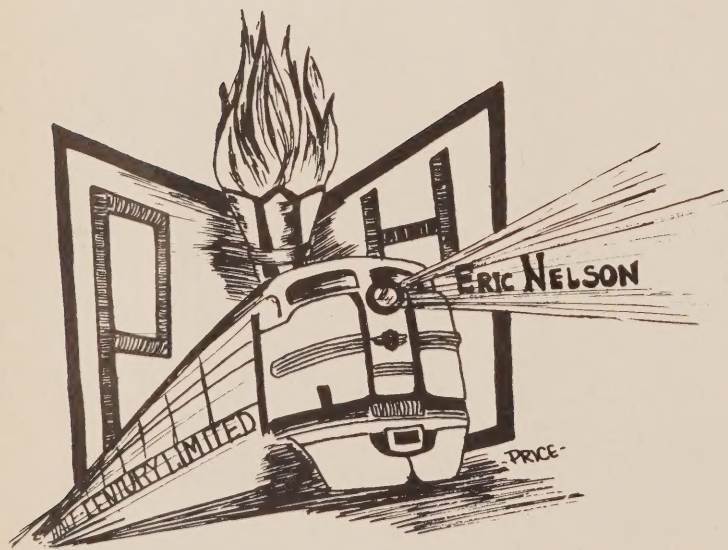

After graduating from Montclair State Teachers' College, Mr. Nelson taught for

six years in Neptune City before coming, in 1942, to PHS. Mrs. Nelson, whom he met while attending Somerville High School, shares his pride in their four young sons.

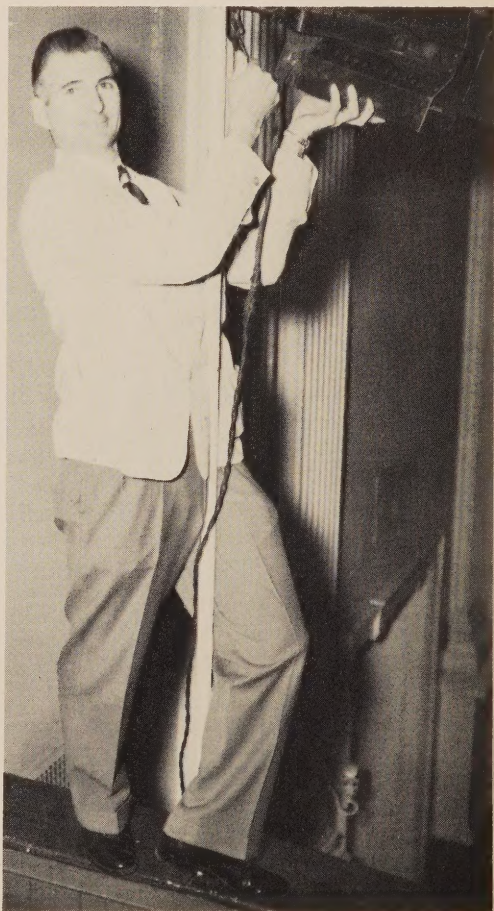

For recreation, Mr. Nelson repairs cars, bicycles, and the boys' broken toys. He gardens, raises chickens, and does wood-working. Some day he hopes to plan and build a house for his family.

His pupils refer to him as "Galileo" because he knows so much about so many things.

Here's to the man who is a wonderful teacher and a perfect friend! We, the Class of 1950, think Mr. Nelson deserves a first-class ticket on the Half-Century Limited!

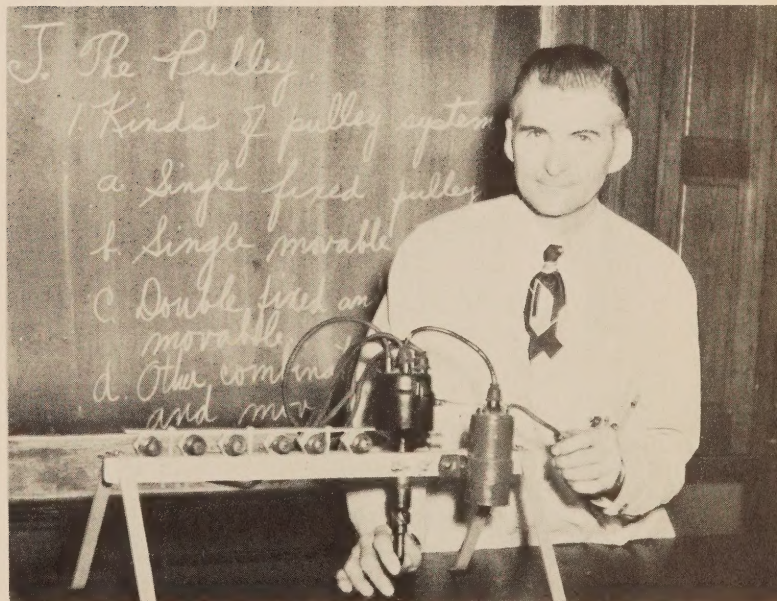

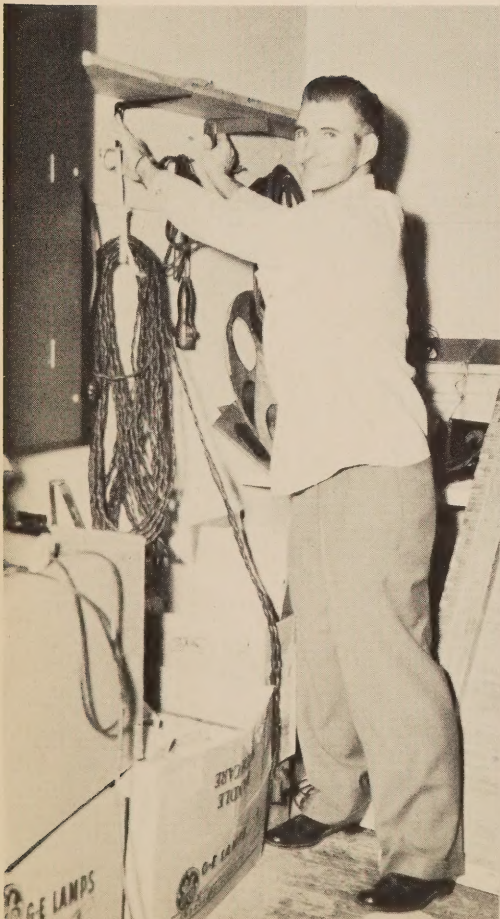

Nelson Marks the Spot.

# THE HEADLIGHT

ERIC P. NELSON

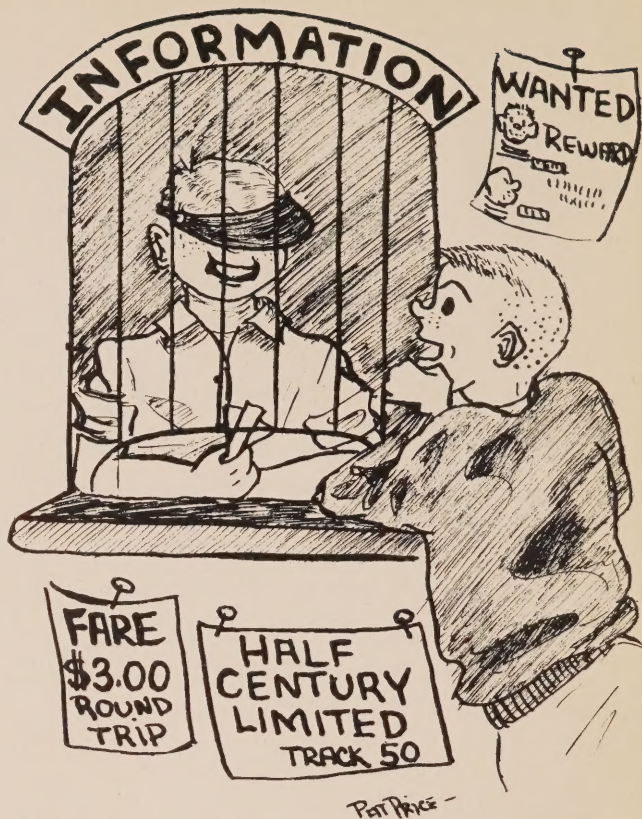

On the Beam.

A Place for Everything.

With a roar and a whistle, the **Twentieth Century Limited** pulls into the June station in the state of 1950. The **Twentieth Century Limited** is an express; June is the only stop at which it lets passengers off. Here a crowd of travelers, seniors from Plainfield High School, must step down, leaving the luxuries of the train to face the realities of the world.

Anxiously, the seniors looked forward to getting off the train, but now, as the train pulls to a halt, they feel a sudden sadness about leaving their fellow passengers. As the seniors leave, the juniors realize that the next stop will be theirs, the sophomores see that they've reached the half-way mark, and the freshmen settle back in their seats with thought that they are finally experienced travelers and have a long way to go.

There's just a little time before the train will pull out, heading for the next stop, in the state of 1951! All aboard!!!

# ENGINEERS

WARREN H. HELD won our admiration as head of the language department and has certainly proved deserving as our new vice-principal.

We'll always remember Dean LOLA HOFF for her cooperation and great assistance to student groups, class executive councils, and especially to individuals.

ARTHUR E. HOPPER, Superintendent of Plainfield schools, is known to all of us. We'll remember with appreciation his thoughtful stories and behind-the-scenes work in making our school great.

GEORGE A. SMITH, Dean of Boys, is known for his ability to solve our problems — from the freshman, afraid to run for office, to the senior, who forgets to wear a tie on his portrait day.

## RIDING FIRST CLASS

On the fourth of September, 1946, scared freshmen walked into Plainfield High School not knowing what to expect. The building was "huge" and it was easy to get lost. Seniors were people to be admired from a distance — but now we know all about being Seniors and we have a history to look back on.

The first big event was our election of Freshmen officers: Tom Pepe, President; Shelby Craig, Vice-President; Phyllis Scelsa, Secretary; and Anne Borow, Treasurer. The football team had a winning year, and the swimming team began a thirty-six meet winning streak that was to last for three and a half years. Remember the blizzard before the Freshman Circus Party? Snowshoes would have come in handy. We learned a lot about PHS that first year, but we were glad to leave our "freshy" nicknames to the next class and become sophomores.

Our officers in 1947 were: Shelby Craig, President; Bill Johnson, Vice-President; Betsy

Clark, Secretary; and Dottie Gee, Treasurer. In March we "Danced Ballerina Danced" at the sophomore dance. Plainfield celebrated one hundred years of public education in May, and we joined in the huge celebration on our high school field.

1948—We were already Juniors. It was Bill Marsh, President; Charlie Roberts, Vice-President; Barbara Mercelis, Secretary; and Skippy Cunningham, Treasurer, who officiated. We gave a Pumpkin Ball, complete with cornstalks and scarecrow. The basketball team placed in the semi-final county competition. March was the month of the Junior Play, "The Divine Flora," starring George Chirogene and Debbie Bray. Also in March, we proudly received our class rings with "50" engraved on them. Prom time arrived, and the night club atmosphere of Billy Rose's Diamond Horseshoe filled the auditorium. It was a perfect Spring night for a prom, too.

Before we knew it September, 1949, rolled

around and we were sophisticated Seniors. We elected Ray Collucci, President; Dick McDonough, Vice-President; Ann Luce, Secretary; Mary Ellen Shallow, Treasurer. Winnie Diana became Student Council President, with Bill Johnson, Vice-President; Barbara Mercelis, Secretary, and Andy Cunningham, Treasurer. Tom Platt took over as Editor-in-Chief of the **Entree** and Rody Doane as Editor-in-Chief of the **Milestone**.

This year has been a busy one. Who can forget our undefeated football team, a great team for the half-century year. In November we presented our Senior Play, **Seven Keys to Baldpate**, a mystery, with George Chirogene and Carolyn Manzelman as co-stars. We remember other things, too — the Senior "Roaring Twenties Dance," the Senior Supper, and another wonderful Junior-Senior Prom. The biggest day of all is yet to come — Graduation Day.

We have worried, and worked, and played together for four years. Goodbyes are always hard to say, and we won't say them, for there is still a long tack ahead of us.

**June Albrecht**

It's modeling for June after graduation. She has been active in Drama Club, Badminton, Basketball and Girl Leaders'. Oh yes! Sophisticated boys irk her.

## RESERVE SEATS

**All aboard!** The Class of '51 is getting ready to board the PHS Half-Century Limited for our fourth and final stop. It's hard to believe that our first three stops have passed so quickly. We pulled into our first station in September, 1947, looking, perhaps, a little like a caboose, but with our Head Engineer Mel Smith, Fireman Bob Hutchison, and Conductors Jean Pepe and Carol Sand, we soon got rolling with plenty of steam. Our first big "haul" was the proceeds from our Freshman Party.

We whizzed along from there and coupled our little caboose to the bigger and better "Sophomore Special." We changed engineers and Dean Wachtel kept us "chuggin'" along with the able assistance of Bill Wright, Joan Kennison, and Judy Beattie. "Always keep the passengers satisfied," that was our motto, so as part of our entertainment plan, we gave the "Rich Man, Poor Man" play. To pay for our tickets on the deluxe train we

gave a dance with something new—"Rhythm on Reels" it was called. It more than paid our fare.

Then, before we knew it, we had changed cars and pulled into Junior Junction. Our minds made up, we elected Jim Peale to "run" things for us that year, along with Cas Waneyck, Cynthia Gibson, and Nancy Walker, who handled the funds and paper work.

Steaming along with such a great speed we couldn't help but "zoom" right into the super Junior Dance, which everyone still remembers. We followed with our Junior Play, which set the whole school talking about the Class of '51.

Then we matched speed with the Seniors, and although they were the "big wheels" around school, the Junior-Senior Prom would never have been the same without us.

Naturally, we'll miss the Seniors next year and things won't be quite the same, but the Class of '51 will try to follow their timetable.

Given the Green Light.

## COACH RIDERS

September, 1948, ushered into PHS several hundred slightly bewildered freshmen, who managed to put up a brave front despite the condescending advice of upper-classmen. That year we went through hazing, one-way traffic, and initiations in Hi-Tri, Leaders, and other clubs. At election time, we took on the serious business of selecting from the many candidates, Joyce Popovitch as President, Bill Luce as Vice-President, Nancy Joy as Secretary, and Ruth Borsuk as Treasurer. We agreed that it was a wise choice. Each freshman homeroom added one new representative to Student Council.

We presented our first social event during the Winter, the Freshman Party. We showed the rest of the school that even newcomers can give a very exciting affair.

This year, we, the Class of '52, are worldly wise sophomores, well versed in the ways of PHS. The tremendous projects of our second year have been ably handled by our new officers: Pete Lawson, President; Martin Sinteff, Vice-President; Diane Young, Secretary; and Ruth Borsuk, Treasurer. The grand social event was the Sophomore Hop. It was given on March 31, and was a great success.

Gaining courage from our elevated status, we engaged in more activities. We showed a growing percentage of members in all the clubs, as well as in sports and drama.

We are upper lower-classmen, but we expect many things to happen by the time we are upper upper-classmen. We are well on our way to bring honor to PHS as the Class of '52.

## FIRST STOP

There we were, the Class of '53, starting out on a four-year run through strange territory. We began the year with plenty of power behind us — power in the form of our class officers, Stuart Lambert, Neal Resnidoff, Joan Gladden, and Paul Troth—President, Vice-President, Secretary, and Treasurer of our class, respectively. We soon put ourselves on the right track and became interested in Student Council, Dramatics, Library Council, and our own Frosh football squad. We were going ahead at full speed on February 3, 1950, when we sponsored our first big social event, the Freshman Party.

Although we happily anticipate moving forward on the second stretch toward becoming upper classmen, there is something about this Freshman year that we just can't forget. We've

taken in a lot of subject matter, but we have also learned how to get along better with people, to be more independent, and how to apply the principles of good sportsmanship.

Our Freshman year was not only a memorable one in the history of our class, but in the history of the whole school. We were the first frosh in a long while to have the advantage of a forty-minute lunch period and two-way traffic. And when someone mentions that untied and undefeated record of our famous 49-50 football team, we'll say proudly, "That was our freshman year."

Yes, it was a great year — and now with the first lap of our journey over, we intend to travel farther and more successfully until we reach our destination in June, 1953.

Time to Spare?

First Call to the Diner.

"I suggest no more studies in the back of classes."

"Will the Student Store Committee please give their report?" These are a few examples of the discussions at Student Council meetings each Tuesday during assembly period.

It is a great honor to take part in the **Student Council** as Plainfield High School revolves around the efficiency of this organization. Mrs. M. Westpfahl, Miss M. J. Bashore, Miss L. Hoff, and Mr. G. Smith make up the advisory group. Its officers this year are: Wilfred Diana, President; Bill Johnson, Vice-President; Barbara Mercelis, Secretary, and Andrew Cunningham, Treasurer.

Although it was started only last year, the **PHS News Bureau** has become a part of school life. Open to any interested student who has the approval of his English teacher, the bureau now has approximately twenty-five members. These students write articles about school events for the Plainfield **COURIER NEWS**.

Last year, the members wrote three hundred stories and had printed nineteen pictures, enough material to cover eight and three-fourths newspaper pages.

Mr. George R. Strub is the advisor of the club this year.

These people help to plan future assemblies, assist in production, and reflect student opinions to better the assembly programs.

The work of this council prepares the members for jobs in the public libraries in the future.

The officers are: Joyce Young, President; Dorothy Clark, Vice-President; Betty Bowlby, Secretary, and Edith Mandaglio, Treasurer.

Should our President be elected by direct vote? This and many more pertinent questions are discussed at the Friday morning **Debating Club**. Meeting in Room 160, with their advisor, Miss Virginia Mixer, the P. H. S. Debaters study famous debates, their forms, and their purposes and accomplishments.

They are able to assist the gym teachers in their clerical work and they have the chance to take over the gym classes during the year.

Paintings and literature are ways of expressing oneself. The girls of the **Modern Dance Club** feel that this can be accomplished by dancing, too. No—those are not the Metropolitan Opera stars you hear practicing each week under Mrs. Vera Monez's direction. It's our own **A Cappella** choir; the girls in the well-known

maroon robes who sing for the Rotary, Old Guard, Kiwanis, and various church organizations. Their biggest event of the year is the Choral Festival, presented in May.

The **PHS Orchestra** is heard every sixth period practicing our Alma Mater, symphonic music and novelty numbers. The forty-five members of this organization under the direction of Mr. Clarence Andrews have a reputa-

tion of offering good entertainment at school assemblies, plays and PTA affairs. The highlight of the year is the annual concert at which soloists of outstanding talent are featured.

The most popular musical group of PHS is the **Mixed Choir**. There are forty-five members in the group and their sponsor is Mrs. Vera

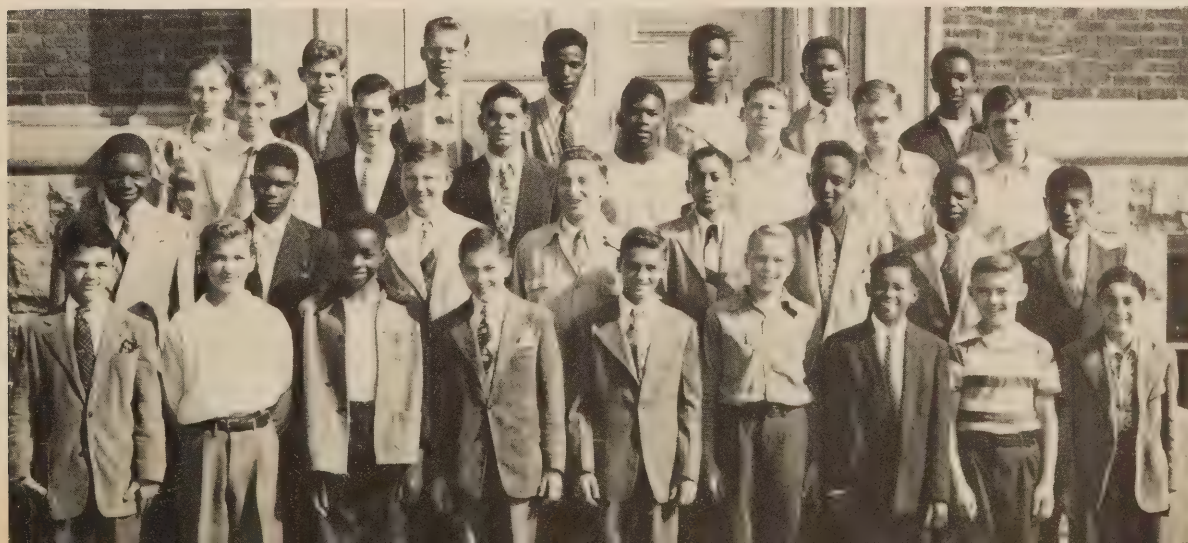

Monez. The **Mixed Choir** devotes every Wednesday before school and every Friday assembly periods to rehearsals.

The club all the girls would love to join is the **Male Chorus**. This group is designed, mainly, for boys who enjoy singing in harmony. No special talent or knowledge of music is necessary to become a member of this club. Just

look at all the promising Frank Sinatras and Vaughn Monroes who meet every Tuesday morning under the direction of Mrs. Vera Monez. Does Mrs. Monez have fun? You bet she does!

"The Hesitation, The Hesitation," shout the **Plainfield High Cheerleaders**. Rain or shine these girls cheer their teams on to victory. With several practice periods a week the girls have tried to make their squad the best ever. Co-

captained by Joan Hansen and Joyce Stichter and with Miss M. Arinsberg as their leader, the squad has put all its efforts in boosting the morale of the school

Many whistles may be heard from the rousing crowd as the **Twirlers** do their stuff on the field. Any Monday assembly period in the cafe you can see many girls practicing with

their instructor, Mrs. P. Procino. The girls, who practice and work hard on the field each week deserve a lot of credit.

march at every football game with their equally brave drum major, Doug Walwrath, and their advisor, Mr. C. Andrews.

There are many good dancers in the world and we are sure many of them come from Mrs. Alice Podesta's group, **Dancing for Beginners**.

Although the members of the **Chess Club** do talk while they're engrossed in a game (it's against the rules, you know), that's about the only rule in chess they do break. Mr. J. L. Wyman, the club's sponsor, and his group meet once a week, and they don't forget the chessmen!

Swinging on ropes, building pyramids, doing acrobatics, are some of the accomplishments of the members of the **Apparatus and Tumbling Club**. These modern Amazons meet every Monday during assembly period with Miss Marion Newson to learn the art of tumbling. Watch it boys — the girls are catching up to you!

The members may build radio sets if they desire, or receive instruction in Morse Code, which is necessary before one can become a licensed amateur radio operator. The desire and object of the club is to have a PHS radio station.

**The Old Testament Club**, under the direction of Miss Elizabeth Hageman, has enjoyed a year of interesting activities in connection with its study of the world's greatest book.

The activities undertaken by the students included participation in the world wide Bible Campaign, occasional outside speakers, movies, and slides on Biblical subjects, and Bible games. The highlight of the year was an evening party.

*Best of everything to you Judy, Margaret, P.S. just a love from you life!!*

"Blood, sweat, and tears." Many were the times that this phrase passed through the minds of the members of the **Milestone** staff as they worked on the yearbook.

Editor-in-Chief Rosamond Doane and Business Editor Dolores Brick kept their crews working night and day on the "Half-Century Limited" with the assistance of these splendid editors: Pat Price, Art; John Blume, Boys' Sports; Phyllis Reynolds, Class;

Barbara Plotkin, Club; Dorothy del Bueno, Copy; Marguerite Wing, Girls' Sports; Margaret Ennis, Feature; Alice Isbell, Literary; Nora Fitzpatrick, Photography; and, last but not least, Anne Silverstone, Typing.

Mr. R. Pajewski acted as editorial adviser and Mr. J. Wyman acted as business adviser.

The editors, advisers and members of the **Milestone** hope that their work meets with the approval of all — in this lies their reward!

"That's a beautiful corsage!"

"I'd like that center piece if it had a few white blossoms in it."

Such comments are made every Monday assembly period in the newly formed **Flower**

phases of play-acting and make-up. The sophomores meet weekly to have fun and learn much about the theater.

"No! No!" cries Miss M. Brady, director of the **Freshman Drama Club**. "Try that last line over again!"

This is a familiar refrain to the freshman actors and actresses of Plainfield High

They keep order in the student assemblies and have various other duties throughout the year.

Adding, subtracting, multiplying, and dividing can all be done in rhythm now, as the members of the **Office Machines Club** know. By joining this club, the members have an oppor-

Songs, skits, movies, trips, all in Spanish, were some of the projects which kept the **Spanish Club** busy this year. The club, under the leadership of Senora Evangeline Galas, met on Mondays during assembly period and the students conversed in Spanish only.

Concentrating on the Spanish of Latin America, students learned dances, songs, and current events of the lands south of the border. Corresponding with Latin American students was enjoyed by all members of the club.

**Dropped Dead?**

The cast of the **Senior Play** remembers . . . the temptation to shoot when we finally got those real guns . . . Debbie and her valiant work to make that indescribable accent genuine . . . John, Bernie, and Bruce trying hard to be realistic criminals . . . Barry getting such fun out of playing a perverted hermit . . . Jerry and Joan forgetting their four years of English to become cockney characters . . . Jim wondering which of the "on stage" throng he was expected to arrest . . . Gerry Lewis wincing because Debbie's

**Are You for Real?**

sequins scratched when he carried her across the stage . . . the times Miss Mixer laughed, shouted, and worked harder to make us good . . . the snow swept up after each act because it wasn't the kind that melts . . . the keys we were so proud of even when the silver paint got onto everything . . . the Friday night exhilaration; the Saturday realization that it was all over . . . and most of all the terrific fun from the casting to the closing curtain.

Despite the change of directors and the many winter colds, the cast of the **Junior Play** finally put on the delightful mystery comedy, **Mr. and Mrs. North**.

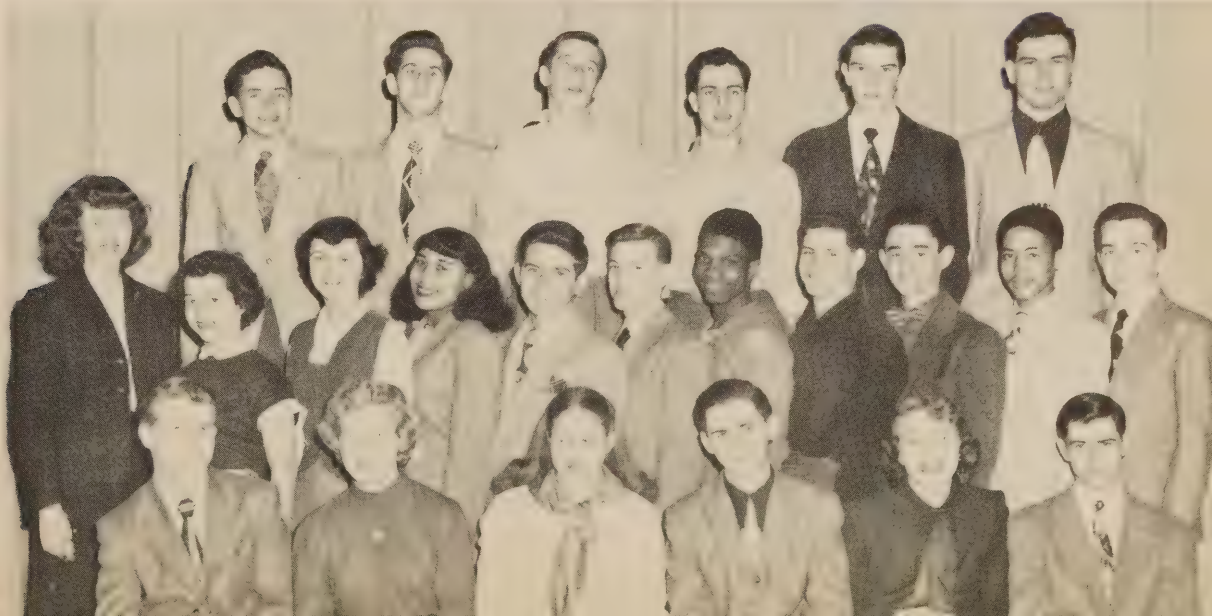

The talents of our Juniors were used to good advantage in this sparkling production. There was Jean Shuha as Pam, who gave us many laughs with the witty and whimsical way in which she solved the many murders (good thing she knew the difference between canned lobster and fresh lobster). There was Jim Peale, ever so sophisticated, playing the part of Jerry, whose life was made miserable by a compact, corpus, and cat. And what a good janitor Tom Bender made with his special accent! Gordon

Sterner, Steve Fox, Joe Blimm, and Raymond Callahan, didn't do badly as policemen. And those wonderful character actors, John Morley, Ronald Meyers, Barry Schenck, Peggy Daley, Charles White, Bob Hutchison, Renee Shapiro, Bob Eigler, and Barbara Hammann, gained laurels for their performances. Oh, yes, Catherine Carter's role as the Fuller Brush woman and Bob Kindig's role as the obliging corpus could not be omitted.

This amusing play was directed by Miss Mixer and Mrs. Siebert who gave much of their time and experience to the production.

All of those people who saw the play know that it was one of the season's highlights!

## VICTORY EXPRESS..... FOOTBALL

End of the Line.

Last Stop.

Plainfield High's 1949 football team, fourth-ranking eleven in the State, finished the season undefeated and untied with a record of nine wins and no losses, the first time in the history of the school that a PHS football team has won all its games. Under the supervision of Coaches Abe Smith and Joe Cospito, the Cards amassed 291 points while their opponents scored only 39, with only two teams on the schedule holding their own against the powerful Smithmen.

For the most part, the team was composed of seniors playing their last season of football in Plainfield, with ten of the starting eleven in their last year. It was fitting, too, that they should go undefeated. For seniors Tony Serido, Roy Snyder, Dick Eddy, Bill Johnson, Jack Manley, Ed Liebel, Dom Lombardi, Don Pizzolato, Ray Chandler, Seth Macauley, Tom Pepe, Ed Zonowith, Jack Lyons, Hank Johnson, Dom Dellaventura, Dick Watkins, and Charlie Locatelli it was the climax — and the end.

The Cards started off the season on the right foot, trouncing Long Branch, 25-0. Next came wins over Columbia (13-7), Bound Brook (32-0), Perth Amboy (39-7), and Somerville (46-6). The Cards reached their peak during the Thomas Jefferson game, beating the supposedly powerful team from Elizabeth, 53-0. Following came the 33-0 win over NPHS, and Carteret, 33-13.

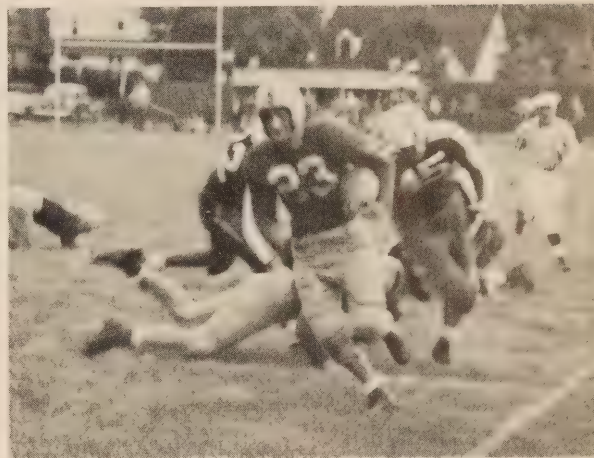

The Carteret eleven caught the Cards unaware, and in the first quarter, the score was 7-7, the first time the Cards were ever tied during the entire season, and they were never behind.

The climax of the season was the Westfield game. Over 11,000 people crowded Westfield Recreation Field to see the Cards beat the once-beaten Blue Devils, 19-6, in the season's finale for both teams. It was Plainfield all the way. Snyder went around end for 61 yards, and Eddy threw passes to Manley and Serido for the Card touchdowns.

Highlights of season: Junior Tom Campbell's 98-yard run of a kickoff against Somerville . . . Eddy's passing against Westfield, bringing his total to ten touchdown passes . . . Serido's scoring on the first play of the game against Somerville, Jefferson, and NPHS . . . The coronation ceremony between the halves of the NPHS games, which saw Ann Formica and Dottie Vitellie crowned . . . Ray Chandler talking the umpire at the Westfield game out of the ball at the finish of the contest . . . The second half of the NPHS game which saw the players interested more in each other than winning the ball game . . . The Cards gaining 1,116 yards passing and a dozen short of 2,000 rushing . . . The winning of the Group IV Central Jersey trophy when the Colliton ratings were announced . . . (These ratings placed the Cards behind Montclair, Phillipsburg, and Orange.) . . . Chandler's being placed on the first team, Union County, and second team, All-State, at the tackle position . . . and not to be forgotten, the students of PHS who followed the team faithfully from the Long Branch game to the Westfield contest.

Although they didn't finish the season undefeated as did their big brothers, the Card Jayvee and Freshman teams won their share of games during the 1949 football season. The Jayvees, under the coaching of Art Smith, had the better record of the two, winning five ball games, losing one, and tying one. The Frosh, under the leadership of Earl Kenney, won one, lost four, and tied two.

The **Junior Cards** started the season off on the right foot by walloping Scotch Plains, 39-6, and winning a close one from Columbia, 12-7. Their 6-6 tie with Bound Brook followed, and then the only loss of the season, to Perth Amboy, by a 20-13 count. After their loss to Amboy, the Smithmen gained momentum and coasted through their last three games with ease, trouncing Somerville, Union, and Thomas Jefferson. The Jeff game saw the Cards reach their peak, winning, 64-0.

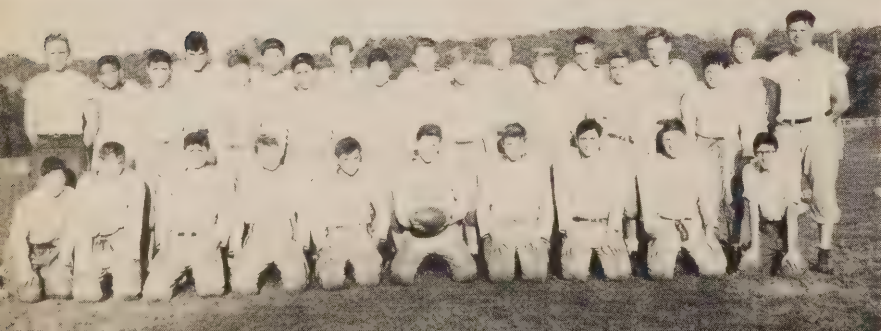

The **Yearlings** just as the Jayvees, started off the season in the right way, but seemed to falter after the initial contests. The Kenneymen tied Union, 6-6, in the last minute of play and edged out Bound Brook, 7-6. Next followed two losses, one to Cranford, 14-6, and the other to Somerville, 12-0. The second tie was with Rahway, by the same 6-6 count. The final two contests saw the Cards bow to a strong Westfield eleven, 22-6, and the North Plainfield Canucks, 13-0.

Summarizing the whole thing, the two clubs won more than they lost; they won six ball games, lost five, and tied three.

## ROUND TRIP.....CROSS COUNTRY

The Cross Country team completed its fourth season as a major sport. This year, winning three of four dual meets. Coached by Mr. Harold Bruguiere, the long-distance men won the County and Central Jersey championships. Plainfield came in ninth in the State run.

The ten most consistent placers on the team were Fred Van Eck, Rees Parenti, Les Hall, Bob

Bruguiere, George Strubel, Ted Sheridan, Harris Phillips, Fred Wirth, Don Epstein, John Pepe, and Al Doty.

In copping three of four dual meets, the Card Harriers defeated Rahway, Westfield, and New Brunswick, and dropped its only meet to Kearny.

## WATER STOP.....SWIMMING

Full Speed Ahead.

Smooth Start.

Under the able supervision of Coach Victor Liske and Assistant Coach John McNair, the swimming team turned in a brilliant season of nine wins and one defeat.

Swimmers like Bill Marsh, Bill Krogh, Bob Bootsic, Pat Shannon, and Al Fitts made it possible to credit PHS with another successful year.

The team got off to a fast start by quickly overcoming the Westfield and Fairlawn teams. However, it was charged with its only defeat when it met the Columbia team at Maplewood. This temporarily stopped a record of 36 undefeated meets which started in 1947.

Stimulated by their first loss, the mermen were victorious over Morristown and Fairlawn. Again it was time for a return meet with Columbia. This time Columbia was defeated by the same score that the mermen had received in the first encounter. The mermen kept up their fast pace and conquered the Morristown and Irvington teams in the second meets.

The season was an exceedingly good one for breaking records, the best of which was Al Fitts' time record of 219.4 in the 200-yard free-

style contest. The second Westfield meet was the scene of three new records. Pat Shannon made two of them: One in the 100-yard breast-stroke and the other in the 120-yard individual medly. Bill Marsh, the backbone of the team, established a record of 19.9 seconds in the 40-yard freestyle.

Mel Campbell, Al Fitts, Bill Krogh, and Bill Marsh succeeded in establishing the new record of 121.2 seconds which bettered the former one by .3 seconds in the freestyle relay with Morristown.

In the state meet at Princeton, the Card mer-men took third place behind Trenton and Columbia. Bill Marsh won the first place in the 50 yard freestyle. Our freestyle relay team of Milt Campbell, Bill Krogh, Bob Bootsic, and Bill Marsh match the 1949 team's success by holding on to first place.

Departure of the Seniors Bill Marsh, Bill Krogh, Bob Bootsic, Bob Horner, Ronnie Ryzoff, Jim Plummer, Bennett Wohl, Don Luce, and Bruce Sklarew will be made in a blaze of glory, for they did much to make this a brilliant season.

## SWITCH TRACK FOR..... BASKETBALL

Despite the fact that their games were either red-hot or ice-cold all season, our courtsters racked up six wins as against eleven losses under the supervision of Coach W. Brann.

The Cards regained the city championship for the first time in five years from NPHS with the scores 34 to 32 and 37 to 29. The Red and Blue were also victorious over Rahway, Cranford, Boundbrook, and Linden.

The Cards lost once to Boundbrook, Westfield, Linden, Cranford, Hillside, Rahway,

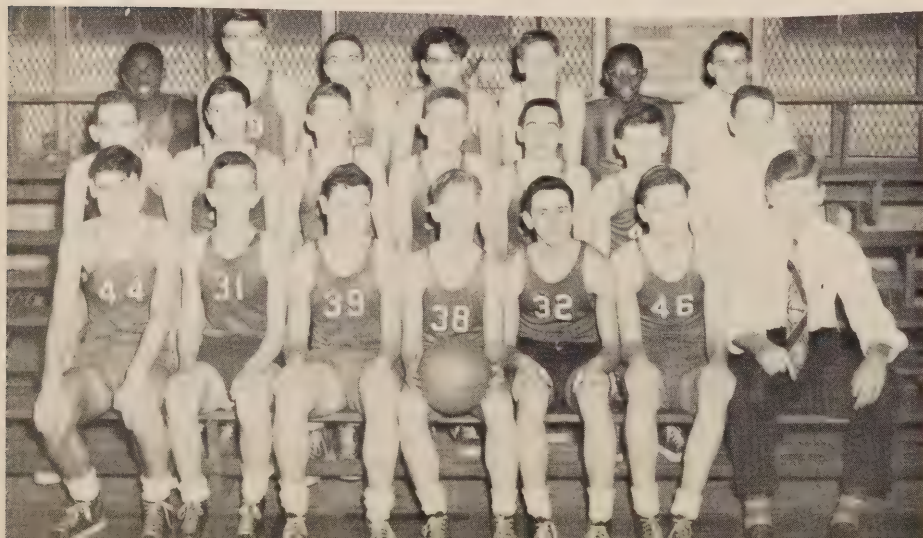

Dunellen, and Roselle Park. The Regional team stopped the Cards twice in the court play and once in the county tourney.

Although this season was not one of their best the Cards made some colorful plays with the help of Dick Watkins, Bill Johnson, Rickey Johnson, Dick Mathewson, and Rico Parenti.

These seniors saw action for the last time at PHS: Herb Brandt, Bill Cary, Frank Hocko, Bill Johnson, Gerry Lewis, and Dick Watkins.

First Row: J. Westcott, L. Reilley, L. Armour, W. Erickson, J. McDonough, E. Sherako, J. Hodgkins. Second Row: J. Corrigan, C. Seol, J. Kennette, B. Iannota, T.

## FLAT CAR.....WRESTLING

A new varsity sport made its debut in PHS activities this year. It was a minor sport last year but it created such great interest that it gained the status of a major sport this year.

The team had a lukewarm season. Until the state meet, there were only two wins. However, Joe Pope, John Pepe, and Roy Knight took first place in the district tournament, qualified themselves for the state meet which was held on March 4 and helped to give the second place in district tournament to PHS, just behind the undefeated Roselle team.

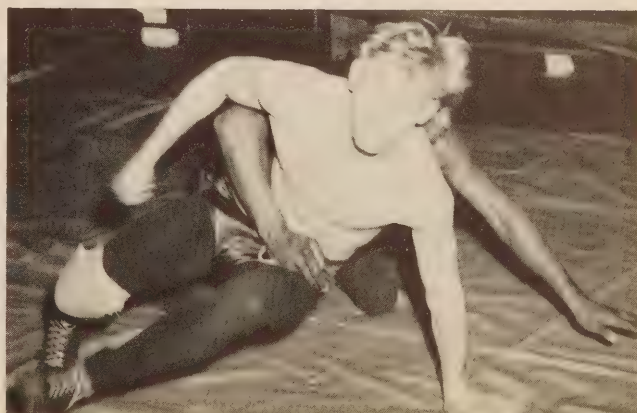

The Navy Plebes invited our team to wrestle and spend the weekend at Annapolis. The team was overcome by the much older and more experienced Plebs. However, "Ducker" Williams, the PHS wrestling star, won his match for Plainfield — the only victory. Both John Pepe and Joe Pope were edged out in the final seconds of their respective matches.

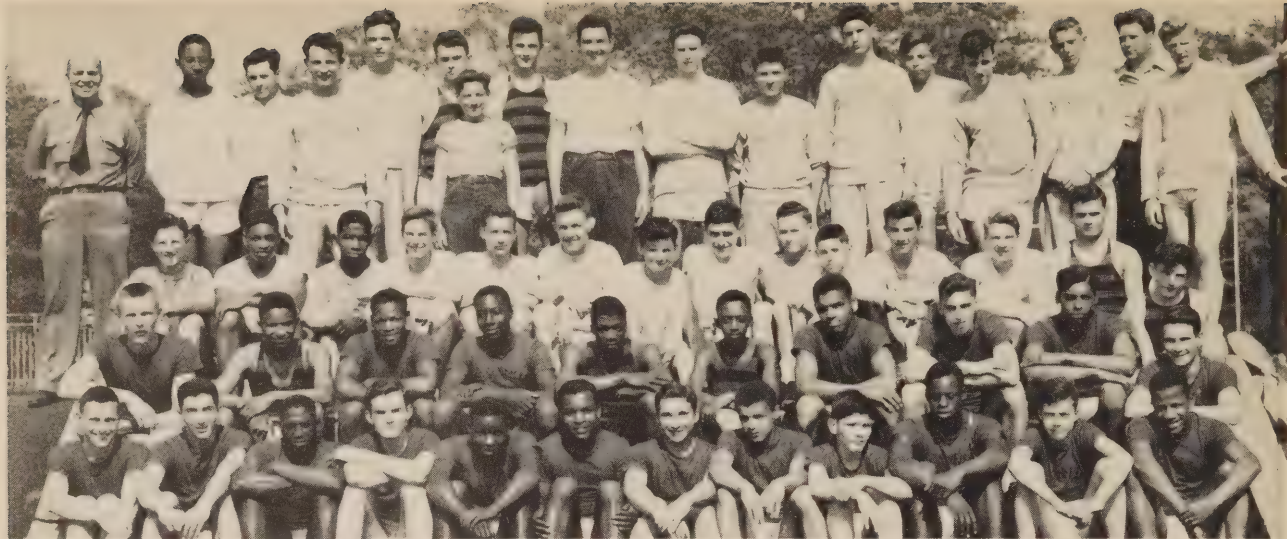

The prospects for this neopleyte sport look good and it may well be one of the main attractions in the PHS lineup of sports.

## THEY WON'T MISS THE TRAIN ..... TRACK

The Cards started the season by smashing another hurdle record, despite rain, in the Union County Relays. The first loss in six years of dual competition was suffered by the P.H.S. cindermen when they met New Brunswick. Plainfield bounced back, however, and trounced Westfield. Another victory came when the Cards took the Newark Board of Education meet for the fifth consecutive year.

Plainfield took runner-up honors to Thomas Jefferson in the Long Branch Relays, Central Jersey Meet and Union County championship.

Tom Campbell broke the former State Meet record, setting a new time of 15.2 seconds for the 120-yard high hurdles. Tom Sullivan also took first place with a 11 feet 7½ inch pole

vault. Fourth place went to Plainfield in this meet.

Leading the team this season were Tom Campbell, undefeated high hurdler; John Cooper and Dick Mathewson, hurdlers. Plainfield had three outstanding pole vaulters, "Judd" Pratt, "Pip" Jennings and Tom Sullivan. Other standouts were mile, Tim Kett; half mile, John Ionnatta, and quarter milers, Dickson, "Judd" Pratt, and Jack Manley. The speedsters were Orville Alexander, David Knight, and Lawrence Hasenbeg. The field men who excelled were Ralph Manners, weights; Wilfred Diana and Hilliard Williams, javelin. The Cards outstanding high jumper was Phil Anderson.

## WELL TRAINED.....BASEBALL

### VARSIITY

The Cardinal Baseball squad began the 1949 season like a house on fire, but after four straight victories, the squad cooled off, to pick up only four more triumphs during the remainder of the campaign. Their season record was 8 wins and 12 losses.

Coach Jack Liddy had as his inner defense Tony Serido, Vince Vesuvio, Dick Eddy, and Bob Ciotta, with Jack Haver and Tony Mansolino behind the plate. Protecting the outer regions were Bart Feldman, Bill Campbell, Bill Cary, Al Berger, and Dom Dellaventura.

The hot and cold P.H.S. mound staff featured Bob "Monk" Wendell, Tony Apisa, Dick Wat-

kins, Larry Perretti and Ed "Fireman" Leibel.

Among the highlights of the campaign was the 24-2 massacre of Dunellen and Dick Watkins' 11-inning, 1-0, shutout of Thomas Edison in the season opener.

### JV

Led by the pitching of Frank "No-hit (2)" Yurek and Casmir "No-hit" Wanczyk, the little Cards of Coach Wilbur Brann had another successful season ending up well above the 500 mark.

Helping in the field and at bat were Ricky Johnson, Joe Esler, Walt Walker, John Pepe, Jack Perry, Frank Commune, and Steve Ianotta.

First Row: R. Snell, S. Iannotta, E. Talbot, J. Perry, S. Craig, C. Wanczyk, F. Yurek, R. Hill, C. Addario, F. Comune, Coach W. Brann. Second Row: R. Ferris, P. Gindin, G. Barbuty, R. Johnson, J. Grisley, J. Pepe, D. Asheimer, P. Bailey, T. Brown, J. Esler, R. Lawler, B. Wojcik, W. Walker.

First Row: A. Bloom, J. Voores, L. Coulthurst, C. Brown, T. Hall, S. Sterner, J. Blume, K. Carter, G. Shaw, R. Robins, G. Gusack. Second Row: R. Hutchinson, R.

McKenzie, J. Allen, E. Pfister, R. Royes, B. Heimlicher, Coach W. Sette, C. Nosworthy, R. Kindig, K. Martin, J. Peale.

## LAST STOP.....TENNIS

Coach William Sette turned out another successful tennis team in 1949. The Cardinals won nine out of the thirteen matches scheduled.

Ken Carter and Gerry Shaw led the team. Ken went undefeated throughout the entire season and Gerry lost only once. The squad included letter winners John Blume, Charlie Brown, Larry Coulthurst, Tom Hall, and Gordon Sterner.

Double wins were scored over Perth Amboy, Rahway, and Cranford. The Cards took single matches from North Plainfield,

Westfield, and New Brunswick. The setbacks were at the hands of Morristown (2), Westfield, and Asbury Park in a best out of nine encounter.

Rain caused the cancellation of a few matches but this loss of play was more than made up in the fast-growing fall tennis program.

Ken Carter added to his laurels by being chosen for the honor plaque in the boys' gym and by winning the Union County singles championship.

Quick Switch.

The fovarite winter sport among the girls of P.H.S. is—you've guessed it—**basketball** under the direction of Miss Marion Newson. Ninety-nine girls attended last year. Each class has a team, and the season is terminated with an inter-class tournament. Points for school awards are given for attendance, and to the members of the champion class team and the members of the Red and Blue team, which is the honorary variety.

First Row: P. Shaw, M. Gibbons, D. Shultz, I. Kaufman, G. Braun, E. Loizeaux, M. Van Ness, G. Guttridge, P. Christman, B. Day, J. Gladden. Second Row: G. Hy-mack, B. Bennett, M. Underhill, C. Demarest, C. Lott, L. Molter, M. L. Brown, V. Hardin, M. Erickson, D. Kerr, S. DeDario, P. Hurite, J. Waldron, N. Lowrie.

**Tennis** is the most popular of all the fall sports. This year over one hundred girls turned out to play tennis at the PHS courts. They were coached by Mrs. Virginia Hogan. The girls voted to have inter-mural doubles with each class having a team of the six most capable players.

The captains of the classes are: Greta Braun, freshmen; Ginger Hardin, sophomore; Ann Oliver, junior; and Mary Libby Brown, senior. The tournament was won by the juniors.

The honorary varsity, known as the Red and Blue team, is composed of the six best

girls. They are, Ann Oliver, Greta Braun, Jane Demarest, Mary Libby Brown, Ginger Hardin, and Virginia Stires.

**Girls' softball** is held twice a week, Tuesday and Thursday, at the High School field. Last year, sixty girls took part in this sport. The ultimate goal of Girls' Inter-mural, is the tournament. At this tournament the classes play one another for the school championship. Points are awarded for attendance, team championship and the honorary varsity, which is Red and Blue.

erts, D. Coleman, B. Trusheim, D. Coleman, H. Mundy, G. Boruch, J. Campbell, E. Sinker, M. Brown, B. Carson, S. Davis.

Another bull's eye? Yes, it's always a bull's eye when the girls line up in the spring to participate in Dan Cupid's favorite occupation.

Amid the snapping of bowstrings, Mrs. Ruth King teaches the girls the techniques

of one of the world's oldest sports, **Archery**. As the archers grow proficient, they eagerly anticipate the highlight of the archery season, a tournament. Last year, the tournament was won by Berta Trushiem, while the seniors captured the class title.

Excitement! Speed! Fun! These are the things the girls of the **Field Hockey** team find when they go out for this sport.

This group meets twice a week at Kenyon Gardens under the direction of Miss Marion

Newson.

Field Hockey requires teamwork and plenty of endurance. It's strictly your game, that is, if you can take it!
